We came to the beach for a vacation.
Wo~w!
Wow! So this is the ocean!
What a marvelous view...
It's not every day you get to see dwarves at the beach,
And super salty!
It's cold
Which is why...

FROZEN APPLE
We came to the beach for work.
WHAAAT!?
You never told us about this!

Really?
I heard that mermaids sometimes visit this beach.
I really doubt that.
Relax, relax,
I'll give you guys plenty of time to play, okay?
waaaah
They're a magical race of people living in the sea whose bodies are half human, half fish.
Mer-maids?
?
I saw one in a picture book the other day.
Just pretend you're saving up pocket money,
Okay?
Nope, you've got it back-wards.
I'm sure you guys want to get shaved ice and smash a watermelon, right?
Oh
THAT'S NOT WHAT I MEANT

Yeah, cause you went and built this!
The trip cost more than I thought it would.
I don't actually have enough money to buy any, sorry...
FROZEN APPLE

What's your problem?
How rude of you to start crying after seeing my face.

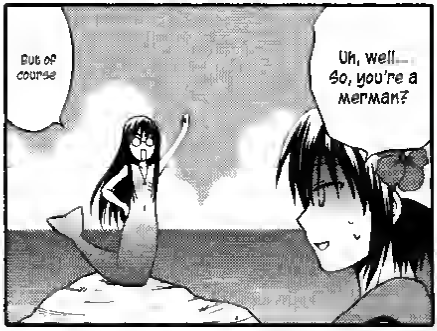
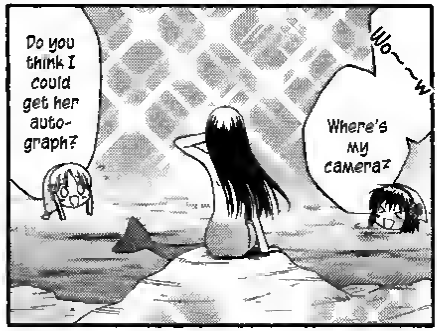
sobbing

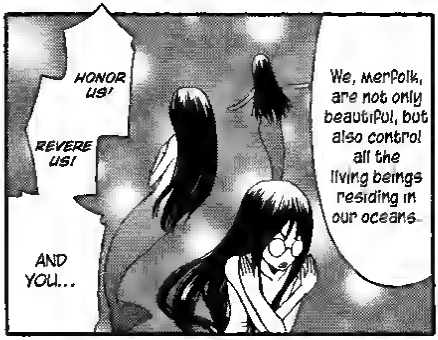
Really?
There's really a mermaid out there!
I found one!



But of course
Uh, well... So, you're a merman?



Do you think I could get her autograph?
Where's my camera?
Wo~~w



We, Merfolk, are not only beautiful, but also control all the living beings residing in our oceans.
HONOR US!
REVERE US!
AND YOU...

Excuse me.

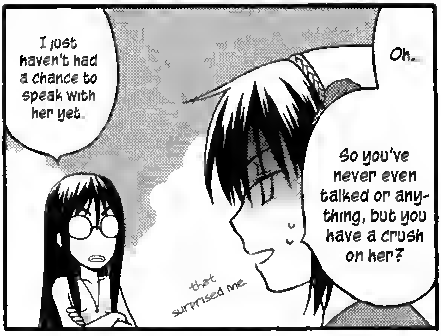
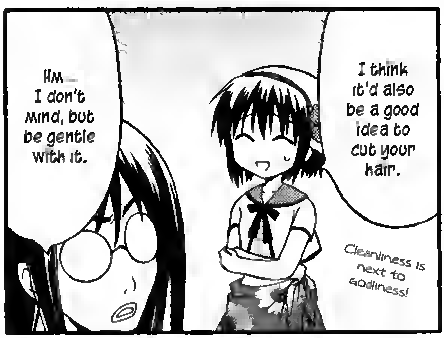
The girl in the swimsuit?
Welp, let's head back and bring in some customers.
Yes, she's pretty cute.
Isn't she lovely?
I shall offer you the chance to assist me. Consider it an honor.
Wa—it!
It must have been fate that led our paths to cross—
She's going to be my wife.
I'M FILTHY RICH.
After all,
?
Who's she?
YOU'VE ONLY GOT ONE LIFE!
IT'S NOT TOO LATE? YOU CAN STILL CALL THIS WHOLE THING OFF!!
Snow White!!
By all means, please continue.

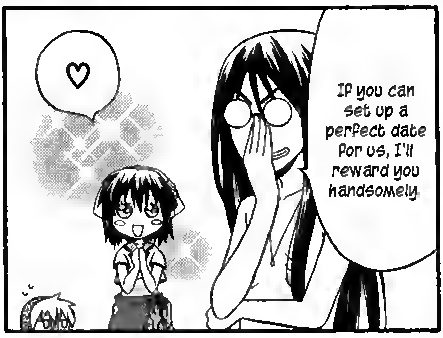
You know, like get you in some proper clothes and swap out those glasses for contacts...
Hmm
Hmm... Before you meet her, why don't we give you a makeover?

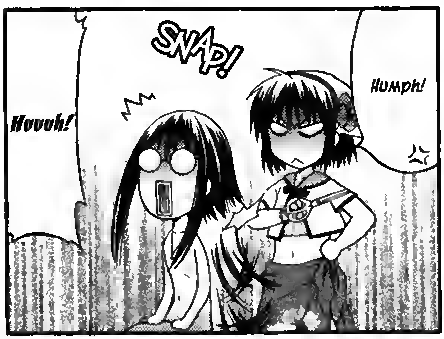


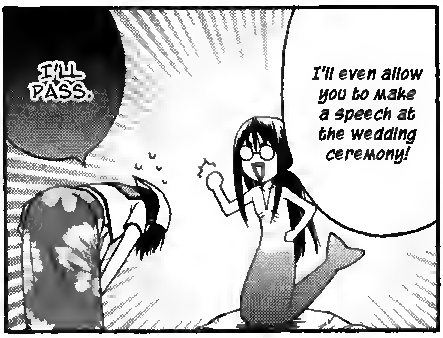
I just haven't had a chance to speak with her yet.
Oh...
So you've never even talked or anything, but you have a crush on her?
that surprised me

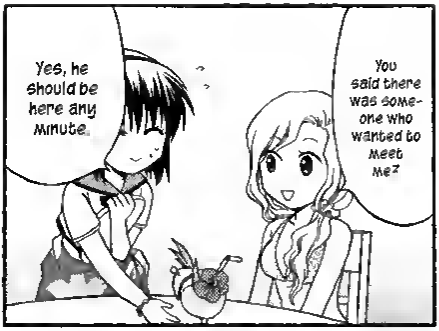


Merman→Mr. Mer



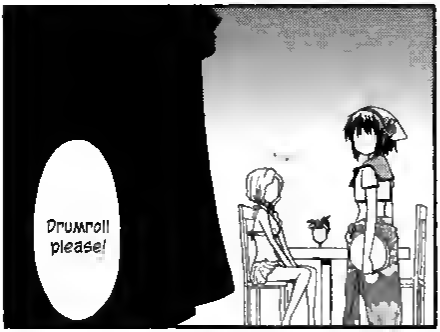






You said there was someone who wanted to meet me?
Yes, he should be here any minute.

All done



Drumroll please!

I... I can only do so much...
Well, you did what you could.
Hmm ..

I don't look quite wild enough, you know what I mean?

I'd look cooler with a couple of scars, like I've taken down some tough opponents.

If you want to leave, go ahead
Oh, um.
winks

How do I look?
You look like you were the one getting taken down.

Maybe we shouldn't have done this. They really don't match.
Somehow or another, it looks like they're getting pretty close...
shuggy
Wow, are you a fish...?
Yeah, I guess so...
As long as they're both fine with it, there's no problem, right?
Do you like fish?
Yes, he's a merman
Whoooa, he actually said it...
Oh, I..
Come and live in the ocean with me. We can be together forever!
durpp
Wait..
Oh, yes, I love them!

Good-bye.
This is only just the beginning. We'll make all sorts of great memories.
I mean,
They're just popsicles guys...
Ah, now it's starting to feel like summer.
Um, try not to let it get to you too much...
